that we may witness to your saving love  
in Jesus Christ our Lord.

**Amen**

## Lent 2019

The theme for this Lent will be “Christianity, Climate Change and Sustainable Living”. There will be a series of lectures on this theme and bible study groups available as well as a sermon series. As usual we will be doing this ecumenically. We also want people to think about this practically and consider what we might do personally and locally e.g., helping to maintain the environment of the villages and towns we live in, do more recycling, reviewing our food choices and how we might reduce our carbon footprint etc.

The dates fixed for lectures are as follows:
