CALLING ALL BUDDING FLOWER ARRANGERS!

Christ Church, Derry Hill is holding a flower/ miniature Dolls House festival in June and would love some new faces to help us decorate the church with flora and fauna. It doesn't matter if you've never so much as snipped a stem before, all you need is a bucketful of enthusiasm and a spare hour. Feel free to contact me, Claire Satchell, on **07968 091217** or email newleaffloristry@hotmail.co.uk.

GARDENING STEVE

Hi to all gardeners. Well I think Summer is now upon us. Your gardens should be looking really nice now with plenty of colour.

Keep deadheading the roses as soon as the flowers fade as this will produce a lot more blooms. Most people, when deadheading roses, just snap the old flowering heads off. But if you want to continue flowering into the Autumn you have to prune back to a bud in a leaf axil lower down the stem. After this give the roses a good fertilizer to boost growth. Continue to spray roses fortnightly with a good chemical.

As we are in mid-Summer, water containers and vegetables and hanging baskets and other plants daily.

It is now time to cut your box hedges - make sure your shears or hedge cutters are very sharp. Strim down the browned leaves of daffodils and tulips that have been growing in the grass.

Keep up the good work in all your gardens. See you next month.

Stephen Starr - Bowood gardener.

DERRY HILL DEFIBRILLATOR

The refurbishment of the Phone Box near the shop is underway. We are really looking forward to installing the two defibrillators, one in the above mentioned Phone Box and one outside the Village Hall after all the hard work and generosity of the local community.

Any further fundraising efforts or ideas will be most welcome.

The fete is almost upon us – fingers crossed for good weather on the day!

CALNE WITHOUT PARISH COUNCIL NEWS

(Derry Hill and Studley are a part of the Calne Without Parish)

The last meeting was held on 3rd June.

Progress reports on works throughout the parish were made by ward councillors.

The revised planning request by Hills Waste Refuse Facility and the Councils response was discussed in detail. Concern was raised over the location, size and the amount of refuse coming from outside Wiltshire. The

number of larger articulated lorries on our local roads, air pollution and road safety considerations were all a cause for concern. It was decided that a letter of objection be sent by the Council to the Planning Authority, Wiltshire Council.

Notification of proposed new speed limits within the parish was made but regrettably did not include the A4 at Derry Hill.

A full list of Councillors and minutes of previous meetings are available on the web site, <http://www.calnewwithout.org/councillors/>.

Please note these are just my jottings. Full official minutes are available at www.calnewwithout.org.

Richard French, Parish Councillor

PARISH STEERING GROUP - CALNE WITHOUT

The Parish of Calne Without includes Calstone, Lower Compton, Ratford, Derry Hill, Pewsham, Studley, Sandy Lane, Stockley and Mile Elm.

The Parish Council is setting up a Steering Group to initiate the revision of the Parish Plan and look into the possibility of creating a Neighbourhood Plan.

A Parish Plan sets out where the Parish is at the moment in terms of Transport, Economy, Environment, Recreation, Tourism, Crime and Housing and what its residents aspire to happen in the future.

A Neighbourhood Plan sets out what the Parish would like to see in any development taking place, for example:

- choose where new homes, shops and offices should be built
- have a say on what those new buildings should look like

Such a Plan would have to conform to Wiltshire Council's Plan.

The Steering Group will consist of Parish Councillors and local residents. Anyone who would like to join the Steering Group should contact the Parish Clerk Geoff Turner by email: cwclerk@gmail.com.

A copy of the Parish Plan can be found at <http://www.calnewwithout.org>.

DERRY HILL AND DISTRICT WI

The talk for May was on 'Digging into Family History' and was given by two speakers, Diane McClaren and Margaret Smith, and it was quite fascinating. They must have spent hours and hours researching their families and not always with the anticipated results! There are always some skeletons in the family cupboard. For the first time we had joint winners of our competition, an old family photograph, and the winners were Brenda and Paula.

Dates for Diaries: The next knitting evening will be on **Thursday the 11th July** at Janet Baumber's home. The July walk will be on the **5th** and will be in **Bathampton**, followed by lunch, more details to follow. The next coffee morning will be at Sally's, on the **17th July at 10.30 am**, and the topic will be 'Share your Garden Hints and Tips'. After the dramatics at my Dolls House Coffee morning, when I managed to set fire to my flower arrangement, we shall have to see what Sally comes up with!

Don't forget the Summer Fete on the **13th July** – we need donations of chocolates and sweets and lots of goodies to put in our Lucky Gift Bags. We shall also be grateful for books, puzzles and DVDs.

Our speaker in July will be Dorothy Whittle who will give advice on 'Coping with Gluts - What to do with your Excess Garden Produce'. Very useful stuff for those with too much fruit. The competition will be for a Recipe using Fruit.

If you are interested in coming to any of the above, or would like to come to a meeting, please phone Sally on **01249 817945** or Tina on **01249 814145**, or just pop in, we'd love to see you. Our Meetings are held on the **fourth Wednesday of every month**, at The Lansdowne Hall, Derry Hill, starting at **7.30 pm**. Sheila

DERRY HILL AND STUDLEY VILLAGE FETE

So, the fete is upon us, **13th July**, gates open at **13:30**. I always say that the more you put into things the more you get out of them, so how will you make the best out of your day.

At **10:30** drop off your entries at the Lansdowne Hall for the **PSP Insurance and Financial Solutions Arts & Crafts Show**, please support this new initiative, you can find the schedule of classes on the fete pages of www.calnerural.org. It's cheap and easy and its fun. Then back to your house to conclude last minute work on your decorated barrow for the opening ceremony. It's free of charge to enter, open to anyone and there are cash prizes for 1st and 2nd barrows. Remember, the theme is "**your favourite memory of 2012**".

Armed with your favourite teddy bear, at **13:30** pay your modest entry fee and wheel your barrow to the barrow park. Have a quick wander around the grounds to check out the variety of stalls and then line up with the other barrows ready for the procession. At the given signal, wheel your barrow into the main arena with a swagger and a jaunty gait to attract the notice of the judges.

Form an honour guard in the main arena for the presentation of the **Derry Hill and Studley Community Award** and then process away to the show ground barrow park where your entry can be judged alongside those of the Guides, Brownies, and Mothers' Union etc.

After all that work and effort I would head to the **Dick Willows Cider bar** to take a swift half of real cider and then perhaps down to the **Active Plumbing Refreshment Zone** for a burger – onions or cheese, Sir? Now, off to the bottle stall before they sell out and browse some of the other stalls.

Got your bear? Good, now it's time for the Church's **Bear on a Zip Wire stall**, solo flights for the seasoned bear or tandem glides for the less experienced.

Around now you will want to take in a bit of main arena action, how about watching the Cubs take on the Brownies for bragging rights in the new challenge shield competition, or perhaps it's **Morphew School of Dance** for you?

After a light cream tea (or perhaps another cider) take a look around the **Arts & Crafts Village**, we have 7 stalls selling a range of products for those special gifts for loved ones. On the subject of Arts & Crafts, it's now **15:00** so head to the Lansdowne Hall for the prize giving to see whether your "**Theme is green**" photo or your child's decorated pebble has won a prize. Perhaps you even got the cup for best in show!

Be sure to secure your raffle tickets for the **Grand Summer Draw** before they sell out, there are some really great prizes again this year including a year's membership at **St Mary's Sports Centre**; a silver bracelet from **Watlings of Lacock**; **£200** of vouchers for **Curves of Chippenham**, back massages and other treatments or tickets to several local attractions.

The afternoon is racing on now, enjoy the go karts at the **Straker's Entertainment Zone** and Dad, come on, get on the **rodeo bull** you know you always wanted to. Make sure your kids get to see our favourite entertainer **Dave Hickory**, he's always great value. Maybe there's time for another visit to the bar or the refreshment zone while you wait?

Finally, make sure you fill in your lucky programme details and hand it to Colin at the PA tent, and then, at **16:40** it's the **Grand Summer and Lucky Programme Draws** and the **presentation of the Barrow prizes**.

After the event check out www.facebook.com/littlephotocompany, our official fete photographers, they will make many photos available for purchase on-line and all profits will go to the fete to be ploughed back into our local community groups and to lay on another great fete experience in 2014.

I wish you a very great day out!

ARTICLE FROM THE PAST

....for Derry Hill, July 1953.....

The Coronation Sunday Service at the Parish Church was a very inspiring occasion, and gave the proper atmosphere for the festivities on the day of the Queen's Coronation. Several people said how they wished that it could be as inspiring every Sunday.

It could be inspiring too, to the Vicar, and also to the Queen, if Derry Hill Church had as large a congregation each Sunday.

It is sheer humbug just to come on such an occasion as that, and expect the Queen to carry her heavy load year after year, without bothering to enter God's House with the rest of the congregation to join with them in the regular prayers for Her Majesty's weal.

People who use condiments too lavishly find that they cannot enjoy meals which are not highly spiced; they lose their sense of taste, and can no longer appreciate the more delicate flavours of good cooking. People who only honour the church and Almighty God with their presence on "special" Sundays, of which there are far too many, are in the same state, spiritually.

Too many for the parish's health are suffering from a sort of spiritual dyspepsia – they find attendance at church on special occasions too much of a shock for them, and cannot get over it until the next festival comes along.

The true cure, both for the spiritual and the physical malady, is a *regular* diet of plain wholesome food. Then "special events" become, not ticklers of jaded appetites, but highlights – joyous events – inspirations. The solution is in your hands – feed your soul each Sunday in church with the food which the church offers in the name of God.

On the morning of the 19th The Ven. C. A. Plaxton, Archdeacon of Wilts, will be preaching at the Parish Church. Members of the Mothers' Union are reminded that at the garden meeting at Rumsey House on the 16th, deanery branches will be giving dramatic presentations of some of the parables of Our Lord. The Sunday School outing this year will be on Wednesday, July 22nd, starting off at 8.30 a.m. for Weymouth. All bona fide pupils will go free. Adults will be 8s. 6d., other children, of school age, 5s. 8d. Registering day will be Friday the 10th, from 3 p.m. to 5 p.m. at the Vicarage. There will be room for other than those connected with the Sunday School. This also applies to the choir outing, tentatively fixed for August 15th. To Southsea. Adults 9s 6d., children 6s. 4d.

L. W. G. Hudson, Vicar.

PCC REPORT

The Parochial Church Council of Christ Church Derry Hill met on **Tuesday 11 June 2013**. What follows are edited highlights of the proceedings.

The services held since the previous PCC meeting were discussed.

All agreed that Lent and Easter had gone well and that it was lovely to have so many families join in the Easter celebrations. The 'Passover Meal' had been particularly enjoyable as were the Lent Courses. The Lent Lunches in the church had raised **£250** for **The Wiltshire Blind Association**. The Easter Cross made from the Christmas tree was considered to be a lovely idea which will be repeated next year, perhaps on a bigger scale. The only low spot was clearing up after Francis the donkey who, on Palm Sunday, had left a rather smelly deposit on the church carpet!

Although the visitors to the Annual Meeting were up on previous years it was felt more could have attended. The possible reasons were discussed and one slightly disturbing point that was made was that people felt they may get pushed into an extra job if they turned up!! Oh, so cynical!! No, that will not happen – the whole idea is to celebrate what people have given through finances and energy in the previous year – not to press gang them into something extra! So please come along next year to let the PCC thank you and ask you for your views on the plans for the following year!

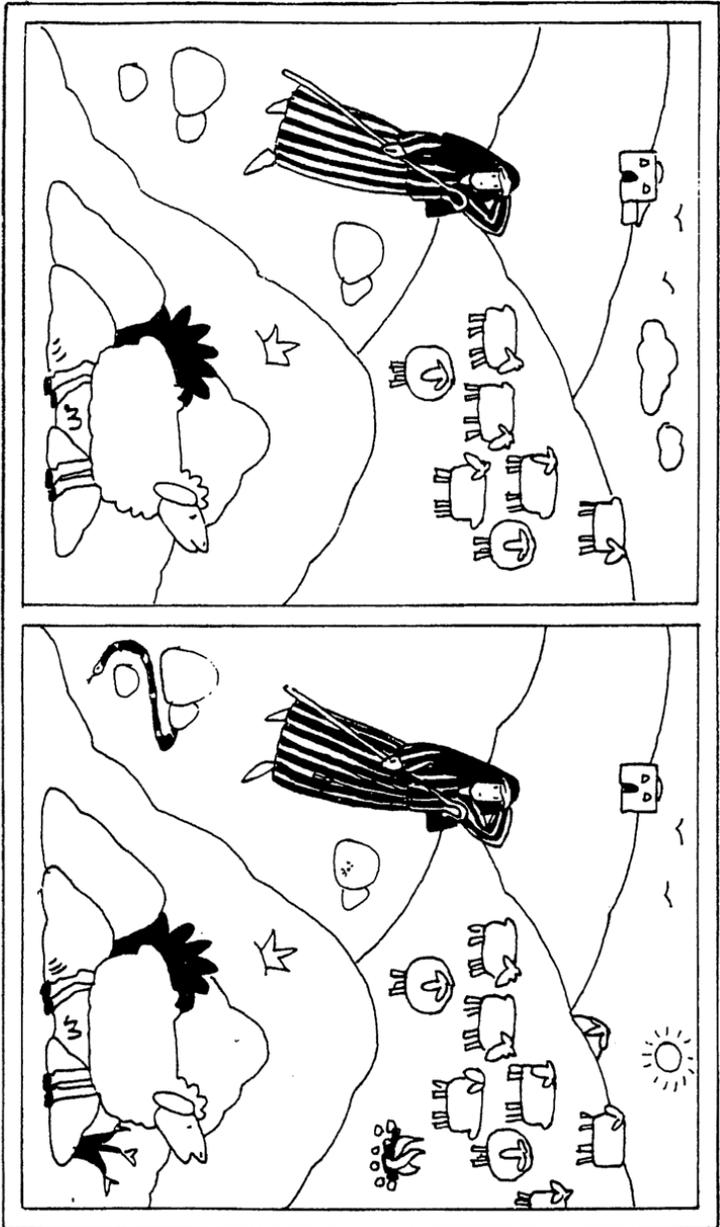

Future services were discussed. The newly confirmed will be taking their first communion as part of the **Praise@4** service on **7 July**, with barbecue afterwards. There will be a **Pet Service** on **21 July**. The **Harvest Service** will be on **6 October** this year.

The new Parish Magazine was considered to have been well received. Currently it is breaking even financially. More advertisers are needed and all donations would be very gratefully accepted.

The rescheduled **Bath Choir Concert** will be on **14 December**. The traditional **MASK Concert** will be on **8 December**. It was suggested that the MASK Concert might have a Dickensian theme.

Changes to the interior (as discussed at the Annual Meeting) are being costed. The "Share" that the PCC pay to Salisbury Diocese to fund ministry at Christ Church is **£25,000** per annum for Derry Hill. It looks like we will have about a **£10,000** shortfall by the end of 2013. Ideas anyone?

IT'S THE WEDDING SEASON

Children Know Best.....

"You got to find somebody who likes the same stuff. Like if you like sports, she should like it that you like sports, and she should keep them chips and dip coming." [Allan, age 10]

"No person really decides before they grow up who they're going to marry. God decides it all way before, and you get to find out later who you're stuck with." [Kirsten, age 10]

"Twenty-three is the best age to get married because you know the person FOREVER by then." [Cam, age 10]

"No age is good to be married at... You've got to be a fool to get married!" [Freddie, age 6]

"Married people usually look happy to talk to other people." [Eddie, age 6]

"You might have to guess if two people are married based on whether they seem to be yelling at the same kids." [Derrick, age 8]

"Dates are for having fun, and people should use them to get to know each other. Even boys have something to say if you listen long enough." [Lynette, age 8]

"On the first date, they just tell each other lies, and that usually gets them interested enough to go for a second date." [Martin, age 10]

"The law says you have to be 18 to kiss someone, so I wouldn't want to mess with that." [Curt, age 7]

"It's better for girls to be single but not for boys. Boys need someone to clean up after them." [Anita, age 9]

"The first thing I'd say to them is: 'Listen up, youngsters... I got something to say to you. Why the heck do you wanna get married anyway?'" [Craig, age 9]

"When they get married, a man and a woman promise to go through sickness and illness and diseases together." [Marion, age 10]

"Tell your wife she looks pretty even if she looks like a truck." [Ricky, age 7]

SCHOOL REPORT

Derry Hill C of E (VA) Primary School News

This year has flown by and we are now starting term 6, our final term of this academic year. Our children have been really busy working hard and having fun.

Our year 5 children went on their first residential school trip on Wednesday 15th May for three nights staying at Braeside, an Outdoor Education Centre, near Devizes. The children thoroughly enjoyed their stay, the weather was very kind to us and we even saw the sun..!

Year 6 children have been working really hard in preparation for the SATS week which took place week commencing, Monday 13th May. This is a very important time and we know that they all did their very best. As a reward the whole class spent Friday of that week taking part in a 'Kwik Cricket Festival' at John Bentley School, Calne.

We enjoy hosting student teachers from Bath Spa University at the school as we believe that we can learn as much from the students as they learn from the teaching staff at Derry Hill School. We have had three very lovely students: Mair, Laura and Becky, working across Key Stage 1 and Key Stage 2, who have proved very popular with the children.

Our Year 3 and Year 4 children recently held a 'Cake Bake' event which is always very well attended. I don't think I have ever seen so many delicious cakes in one place before.

We try to include a number of school trips during the academic year to support areas of learning in the National Curriculum. Our Year 1 pupils recently visited Westonbirt-Arboretum and had a thoroughly enjoyable time. Year 3 will be visiting Bowood as part of their study of local history and the history of Bowood. We are very fortunate to have the opportunity to spend time at Bowood which is so close to the school.

The majority of our Year 6 children headed off to France in the early hours of Sunday morning 16th June for a five night residential trip.

We are also starting preparations for our summer production of 'The Jungle Book'. This will take place on **Wednesday 10th July** and **Thursday 11th July** at **6.30pm**. We are lucky to have some very talented and enthusiastic

children who are all stars in the making. We are all looking forward to the 'opening night'.

During the summer holidays work will begin to refurbish the washrooms and cloakroom used by pupils in Key Stage 1. We are really excited and feel that the renovations will provide a much needed facelift in this area of the school building. We can't wait to see the results!

MOTHERS' UNION – DERRY HILL

On **Wednesday June 5th** 35 Mothers Union members and guests met in Church for "**A Great Lunch**". This is a

countrywide venture to publicise the work of the Mothers Union. After the grace, given by Reverend Ann, everyone enjoyed a sumptuous meal which consisted of ham and quiche and various salads followed by tea and coffee and a wonderful array of cakes, all provided by members directed by Robyn.

Following the meal our guest speaker Iris Parker gave a talk on various projects being carried out in our local area. These include providing refreshments and a sympathetic ear for visitors at Erlestoke prison. Also a programme of advice to help fathers bond with their children whilst they are separated. Iris also explained the vision behind the "**virtual babies**" - a project to educate children about the difficulties of dealing with a baby while still a teenager. These babies can be programmed to act as a newborn would and are very realistic. The Mothers Union are also launching a befriending scheme called "**Journeying Alone**" which we were asked to think about. Iris was thanked by Deirdre and presented with a rose bush. During the meal the new publicity banner was displayed and much admired. Its first outing will be the **village fete** on **July 13th**.

Members agreed that the "**Great Lunch**" had been a huge success and all the hard work had been worthwhile. The next meeting is at **2.30pm** on **July 3rd** in Church.

For more information please contact Deirdre on **01249 822157**.

MUSICIANS!

The **Praise @ 4** team would warmly welcome extra musicians of any age to play at this new style, relaxed service on the **first Sunday of each month at 4pm**. All instruments welcome!!

CALNE SPRINGS FORWARD

This is a new enterprise for the Calne Community Area (of which we are part). A Community Interest Company (Not for profit) has been set up to promote the area's organisations and businesses. The directors are drawn from local businesses and organisations including church, Parish and Town councils. The first two initiatives are promoting the monthly Saturday Market in Calne (next one **7th July**) and a website. Local charities and locally based community groups can advertise on the website for free and local business can buy space for a very reasonable cost. The idea is to promote all that is good in our community area, encouraging people to shop locally and draw tourists into this lovely area of ours. More details can be found on www.calnewiltshire or contact me. Richard Aylen (Derryhill@aol.com)

THE PRAYER TREE

The Prayer Tree is an ancient and anonymous way of sharing Prayer Concerns.

Please **email, or telephone, your request** and we will attach a Prayer Leaf to our Tree for you. Alternatively, you may go into church and hang a Prayer Leaf on to the tree yourself or ask a friend to do it. You do not need to give your name, only as much detail as you wish on the situation you would like to be prayed for.

We will offer prayers in our time of Prayer on **Thursday 4th and 18th July** at **2.15pm** in **Christ Church, Derry Hill**. Tea and coffee will be available after school pick-up at 3pm for anyone who would like to come in for a chat or would like to wait for children to come out of School Clubs. Children will be invited to use the facilities in the Children's Area during this time. All are welcome.

LAY PASTORAL ASSISTANTS

I have been asked to explain what an LPA is, so here goes:

A Lay Pastoral Assistant is a person who is trained and authorised to engage in pastoral ministry on behalf of the local church, working as part of a team of clergy and laity.

The focus of all LPA Ministry is pastoral care, but an individual's ministry will vary according to their gifts and skills, and the local situation. In all cases the ministry calls for a loving and compassionate heart, and a willingness to listen and support those in need.

LPAs may be involved in

- Welcoming newcomers to both our churches and our communities.
- Visiting families before and after baptism.
- Work with children and young people.
- Marriage preparation.
- Hospital visiting.
- Visiting people in their homes [not just the elderly and housebound].
- Supporting the bereaved.
- Prayer and healing.
- Hospitality.
- Training and nurture, including confirmation preparation and home groups.
- Evangelism, including Alpha groups.
- Participating in worship.

At present our LPAs do not work in all these areas. There is only so much anyone can do at any one time, and it is very dependent upon the time that each LPA has to give to their ministry. Together we try to cover everything in this list, so if you would like to be involved and feel you have a ministry to offer then please do get in touch me – Reverend Ann – my details are at the back of this magazine. If you would like a visit then either call me or one of the LPAs also listed at the back of this magazine. Reverend Ann.

ADVANCE NOTICE OF AUGUST SERVICES

4th August 11am	Mattins – Book of Common Prayer (BCP)
4th August 4pm	Praise@4 – Transfiguration!!
11th August 11am	Holy Communion (CW)
18th August 11am	Family Service
25th August 6pm	To be confirmed!

REVEREND ANN WRITES

You know, I am really looking forward to the Fete! It all sounds very exciting and I do hope lots of people enter the various competitions. There is nothing like a bit of good old fashioned competition and fun!

Now, I also hope that there will be lots of teddies coming to the church to have an exhilarating time zip wiring from the Spire. The views from the top are absolutely amazing – as long as you don't have a fear of heights! So do check that your teddies are okay with heights before you send them up to the top for a 'zip down'.

I do hope and pray that the weather will match the mood!

But just before all this takes place we will have the First Communion Service in Derry Hill for the newly confirmed at the Praise@4 service. Now, I have heard, there is a rumour that this service is 'Happy Clappy'! It is said in that rather detrimental way too!!! Well, it isn't what I would call 'Happy Clappy' though occasionally when there is a good beat to a song such as 'Shine, Jesus, Shine' there may be a couple of claps. It is all very 'normal' in fact! A few songs are sung, there is a Bible Reading, and a talk for about 10 minutes followed by prayers and a reflection on a 'Youtube' video. In April we had a really moving Twitter reflection!

Well, the July service would be a really good time to give it a try. There will be Holy Communion to welcome the newly confirmed from Year 6, and then we will have a great time as we eat and drink together.

One of the fundamentals of Christianity is hospitality – caring for each other’s needs, so this is what we will be trying to do. Not only at the Praise service but at the Fete too. This is what community is about, supporting each other and building one another up so that all can feel the benefit of knowing each other.

We look forward to seeing you at the service, or if I don’t see you there I hope I will see you at the Fete!

With love to you all.

Ann

SOME ERUDITE THOUGHTS

Humour cannot be prevented from spreading; it has a way of slipping through the patterns of thought which are imposed upon mankind by habit and design. [Idris Shah]

In many matters, profound seriousness can only be expressed in words which are light-hearted, amusing and detached; such a conversation as you may expect to hear from someone who, while deeply concerned for all things human, has nothing he is trying to gain or defend. [Dag Hammarskjöld]

Start by doing what’s necessary, then what’s possible, and suddenly you are doing the impossible. [Saint Francis of Assisi]

Puns are for children; not groan readers. A good pun is its own reward.

We need to find God, and he cannot be found in noise and restlessness. God is the friend of silence. See how nature - trees, flowers, grass- grows in silence; see the stars, the moon and the sun, how they move in silence... We need silence to be able to touch souls. [Mother Theresa]

There’s nothing remarkable about it. All one has to do is hit the right keys at the right time and the instrument plays itself. [J.S. Bach]

POETRY CORNER

This amusing love poem by “The Bard of Salford”, John Cooper-Clarke (1948-) has become a popular reading at weddings:

I Wanna Be Yours

I wanna be your vacuum cleaner
breathing in your dust
I wanna be your Ford Cortina
I will never rust
If you like your coffee hot
let me be your coffee pot
You call the shots
I wanna be yours

I wanna be your raincoat
for those frequent rainy days
I wanna be your dreamboat
when you want to sail away
Let me be your teddy bear
take me with you anywhere
I don't care
I wanna be yours

I wanna be your electric meter
I will not run out
I wanna be the electric heater
you'll get cold without
I wanna be your setting lotion
hold your hair in deep devotion
Deep as the deep Atlantic ocean
that's how deep is my devotion.
Deep deep deep deep de deep deep

I don't wanna be hers
I wanna be yours
