

Philip! Can you go and buy some food for these people?

Lots of people came to hear Jesus talk about God. He told stories all day and the people were very hungry.

It would take 6 months pay to feed them all!

I have 5 loaves of bread and 2 fish...

Make the people sit down in little groups. we're going to have a picnic!

Jesus' friends gave out the food and there was plenty for everyone, with 12 baskets full of leftovers to take home!

Jesus thanked God for the food and started breaking it into pieces.
