

## Coming to Church

### Parochial Church Council (PCC) Guidance

We have for some months now been worshipping in church with minimal restrictions regarding Covid, with people making their own choices about wearing face coverings and/or social distancing.

When it comes to Holy Communion, we are continuing to offer simultaneous administration where the priest intincts the wafer with wine for each communicant. We are also offering the common cup for those who prefer this. We simply ask those who wish to receive wine directly from the chalice to come forward after those who have received intincted wafers. Guidance will be given during the service.

We continue to offer **Zoom services** (usually fortnightly) and of course, if you are feeling unwell or test positive for Covid please stay at home.

As ever, our Christian calling is to care for all our brothers and sisters, particularly those who are vulnerable; and there are times in our lives when every one of us (and those we have close contact with) is vulnerable. We ask that everyone continues to take extra care during our services and respects the wishes and needs of those around us so that everyone feels comfortable and safe.
